

Ecstatic Dance Agreements

1) Please - No Talking on the Dancefloor

(Words Condense All Possibilities into One Tiny Reality)

If you "must" use words, please do so at the very back of the space, whispering so that no one else may hear. Thank You.

2) Be Yourself - Don't show up drunk or drugged.

Move However You Wish - Accept Others - Without Judgement

3) Respect the Space - No Photos/Videos/Shoes/Scents (Turn Cell Phones to SILENT)

When approaching others:

- Respect the Solo Dancers' Right to their own Space
- Continuously Listen for the Yes (they are coming closer)
- Respect any No (like when they are ignoring you)
- Hands in prayer at heart means: "I see you, and thank you"
(for the dance that just ended)

4) Enjoy your Journey - May it be Medicinal (!)
